INTERNATIONAL CLASSIFICATION — 2002 THREE-YEAR-OLDS

For three year olds which, during the current year, have attained a rating of 110 or over and have run or been trained in Europe, Japan or North America, or have in races open to outside competition been assessed by the International Classification Committee handicappers and North American Rating Committee officials at a rating of 110 or above. Horses racing over different distances and being top, jointly top rated or rated the same over different distances, will be credited with such performances by the appending of the appropriate distance indicators. Ratings are calculated in units of 1lb and evaluated up to and including December 31st, 2002. Horses with ratings achieved on dirt appear in *italic* script. Horses with ratings achieved on both turf and dirt are indicated by an asterisk (*).

INTERNATIONAL CLASSIFICATION — 2002 FOUR-YEAR-OLDS AND UPWARDS

For four year olds and upwards which, during the current year, have attained a rating of 110 or over and have run or been trained in Europe, Japan or North America, or have in races open to outside competition been assessed by the International Classification Committee handicappers and North American Rating Committee officials at a rating of 110 or above. Horses racing over different distances and being top, jointly top rated or rated the same over different distances, will be credited with such performances by the appending of the appropriate distance indicators. Ratings are calculated in unites of 1lb and evaluated up to and including December 31st, 2002. Horses with ratings achieved on dirt appear in italic script. Horses with ratings achieved on both dirt and turf are indicated by an asterisk (*).
